Dear Sir or Madame:

My name is Gary Loyd Stewart. I was born Earl Van Best, III on February 12th 1963 and was relinquished for adoption by my father. I was adopted by the Stewart family and recently reunited with my birth mother. My investigation into my father's history has indicated that my father has a criminal record there in San Francisco, but now he is deceased. Lt. Hennessey instructed me to contact you and request my father's criminal record and file from your department at Room 575. My father was born Earl Van Best, Jr on 7-14-34 in Wilmore, KY. His social security number is 567-40-8923. I would appreciate your providing the information on my father's record at the following address. You may contact me at any time at:

I appreciate your assistance very much in this matter. Please telephone me if you should require any further information or have any questions.

Sincerely,

Gary Stewart,
Formerly, Earl Van Best, III
